SUBJECT Seventh Annual Fishin' Mission

Again this year, as the stinking self elected "only one who will get off the dime" chairman of the "Seventh Annual", it is my true displeasure to extend a personal invitation to you to attend.

This year the trip will be as good as ever and as usual, you will have the opportunity to share in any or all of the following "experiences" (not to imply a group encounter for sure!)

- 1.) Overnight backpack to Barney Lake (most of you hacks are too weak!)
- 2.) Several nights of excitement, gambling in the Casino Tent.
- 3.) Several nights of frustration, trying to setup the Casino Tent.
- 4.) A no-expense paid trip to the "Big Town" in an annual display of foolish energy trying to get back!
- 5.) Many attempts to exchange stats, make up stats, spill stats, sell stats, or even make stats.
- 6.) A quiet mountain retreat where between the whistle of the wind and singing of the birds echo such phrases as "who's cookin?", "the house dice are down!", "I'll go ya!", and even "do ya take markers?".
- 7.) If none of the above sound interesting, I suppose you can even fish.

This year, in an effort to increase comradery and the brotherhood of mankind (yuk!) BT and I have self-elected ourselves to take on the responsibility of buying food, planning menus, and coordinating cookin chores for those who would rather not be an outcast. (More to follow on this).

The trip is planned for May 30th - June 8th, and you are welcome to share as much of this time with the group as your mommas will let you.

There is a list of tentative guests attached so you know which "stat files" to bring and who to put a contract on if you're not the best of friends.

There's also a fisherman opinion survey (what else) that needs to be completed in order to provide you with the service you've grown to expect.

Please complete it as soon as possible so our grubwagon chief (BT) can plan his fine menu of camping cuisine.

FISHERMAN OPINION SURVEY

In an effort to continue to provide the service you have grown to expect - please take a few minutes to fill out this survey. There are some real big words - so use a dictionary if you need to!

1.) Of course I'll be there!

From _____ to _____ (the blanks are for dates)

No way Jose - not this year.

I've enclosed \$_____ for the gift. (boy you are stupid)

2.) I think I'd like BT to plan my meals and do the shopping.

(except booze)

I'm still into being an outcast so I'll bring my own stuff.

(Including booze)

3.) I'll be driving so I'll need space for my vehicle reserved.

_____ (What do you have?)

I'll need a ride so I don't need space reserved for my vehicle.

_____ (What don't you have?)

4.) I'm a real "macho" camping person so I'll bring some of my "macho" camping equipment.

(please list)

I've always been a "country clubber" so I don't have any "macho" camping equipment.

(How about matches?)
