SUBJECT 1978 Fishin' Mission:

As the self-elected chairmen of the "Fifth Annual Fishin' Mission expedition, it is our pleasure to extend to you a personal invitation to participate again this year.

This year the trip promises to be bigger and better than ever. You will have the chance to participate in such activities as:

- 1.) Backpacking trip to several backwoods lakes;
- 2.) A trip to the famous Lake Tahoe in an attempt to "get back";
- 3.) Quiet nights around a campfire with friends, roasting marshmallows and reciting a favorite tune from "Blazing Saddles";
- 4.) Loud nights around a campfire with friends, learning such terms as "hit me", "I'll go ya!", "I'm good", "somebodys in the bushes", "who's cookin?", and other phrases relating to the outdoors.
- 5.) A no-expense paid trip to Cedar Tavern in the recreation town of Bridgeport for pizza, beer, pool, and shuffleboard.
- 6.) If you have time - maybe some fishing!

You're probably already saying "Man I'm on - but when is it?"

Tentatively - the mission will encompass June 2 until June 11 - or anytime within that time that you can attend.

In order to properly organize this expedition - we need your help. Please detach your valued fisherman certificate - indicate your preferences and return to us as soon as possible. Our motto-

"We won't get you up - but we won't let you down!"

Sincerely,

Gary Walker - Steve Lawing
Chairmen / F.A.F.M.E. Association

VALUED FISHERMAN CERTIFICATE

NAME _____

- Yes - I will attend.
- Dammit - I can't attend.

- I would like to pay \$3.00 per day for every day I will attend
- and let someone else worry about the food.
- Hell no! I'll bring my own food and take care of myself.

- I would be willing to purchase a sweatshirt commemorating
this Fifth Annual Mission with an artistically designed silk
screen. (Probably around \$10 bones).
- Who the hell needs another sweatshirt?

- I will be able to drive.
- I got no wheels - I have to bum a ride.

- I will be able to contribute camping gear to the cause, such as:
 - Campstove Tent
 - Table Axe, shovel
 - Pots, pans, utensils Lantern
 - Chain saw Ice Chest

- Why the hell should I let you yo-yos use my equipment?

Please submit this information - marked "personal" to Gary Walker -
Sacramento Regional #3525, as soon as possible so we may begin planning.
